

Trinity United Church in Wallaceburg, ON is conveniently located between Windsor and London with close proximity to the 401, Lake Erie, Lake Huron and Lake St. Clair; we are a small-town community in Ontario's agricultural heartland. With one of the most affordable housing areas in Canada and a temperate winter climate, we are a desirable location for a full-time minister seeking a new opportunity.

The primary role of our Minister will be to lead and enable a team ministry which promotes growing and sharing our faith through regular worship, pastoral care, mission and outreach, stewardship, and educational ministries of the Church.

Our community offers public and secondary schools, a Christian school, French immersion availability, child care facilities, and we are a short commute to St. Clair College and Lambton College. Our small town also offers an arena, curling rink, organized sports (baseball, soccer, lacrosse, hockey, basketball), outdoor tennis, and fitness facilities. Our secondary school also has a public pool available for use.

We welcome your application and look forward to meeting you. For additional information on our church please visit www.trinityunitedwallaceburg.com. To apply and see our Church profile, please review the vacancy listings for London Conference (www.londonconference.ca) and search for Wallaceburg.
