The Trinity search team are very pleased to report that Deanna Gibson will commence her duties as our new minister beginning April 22, 2024. Deanna has been an ordained minister for over 20 years and currently lives in Courtright. Most recently she has served as minister for the United Church in Brigden, and prior to that was the Spiritual Care Coordinator for the Hospice in Sarnia.

Deanna has a Master of Divinity degree from Emmanuel College at the University of Toronto as well as several other related courses to support her ministry positions over the past 20 years. In her own words, she enjoys creating liturgy that connects sacred text, prayer, music, movement, and moments of quiet reflection to our daily living and which reflect the concerns and celebrations of a community of faith and the larger world.

Deanna received a unanimous support from the search team, and also received a unanimous vote from the congregational meeting to clear the way for her joining us at Trinity United Church.

We are positive you will enjoy meeting with Deanna and welcoming her to our congregation.

Your Generosity is Making a Difference!

Thanks to your donations Kenesserie
 Camp covered the costs of 2023
 and allowed them to start 2024
 focused on moving to solid ground.
Your kindness is appreciated!

A Thank You from The Salvation Army – Thanks to your help, the 2023 Christmas campaign was very successful. We were able to assist many households and children with our hamper program. This could not have happened without the help of our volunteers and those of you who contributed financially.

Your generosity has definitely blessed those that we serve.

What a GREAT MINISTRY we have!

Pre-Authorized Remittance, or PAR, allows you to support your church through an automatic monthly withdrawal from your bank account. Besides being convenient, using PAR for your offering ensures regular monthly giving to help the church's ministry even when you are away.

Contact the church office for more information or to easily set-up your account with PAR.
